Company Overview

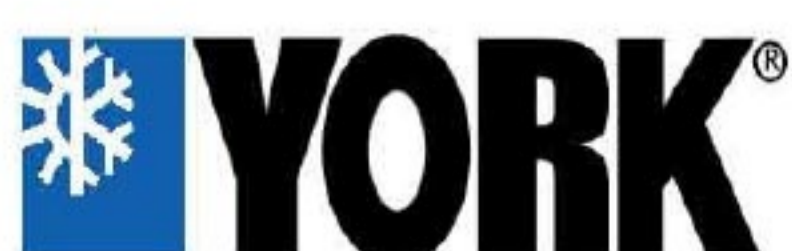

About a decade back, Aziz Trade & Engineering Ltd. (ATEL) laid its foundation stone with deep commitment to provide high quality product and services to the end users.

Keeping this as integral part of our corporate philosophy, ATEL built up successful track record in numerous growing areas which include full range of Air-Conditioning equipment, Commercial & Industrial Refrigeration, Super Market Equipment, Solar, Energy, Industrial Insulation, Turnkey contracting etc.

Bangladesh is a growing economy and looking forward to achieve double digit GDP growth in the near future. Overall standard of life of the dwellers of urban & rural areas has been going up steadily. On the other hand, environment has been gradually transforming hot & humid due to the global warming and green house effect. Consequently country is leading to the higher demand of HVAC & refrigeration equipment and associated professional services.

In response, ATEL successfully established ties with major globally reputed manufacturers/brands of the respective product group & industry and invested substantial resources to capacity building program. It has been constantly endeavoring for the professional excellence and keeping updated to the latest technological development.

With the support of major international manufacturers blended with the strong & professional local team uniquely positioned ATEL at the front of the queue in the areas of its expertise.

Air- Conditioner

Complete Range of HVAC Equipments

Brand: YORK, USA

Cassette Type
1 Ton to 5 Ton

Wall Mounted
1 Ton to 2.5 Ton

Ceiling Mounted
1 Ton to 5 Ton

Ducted Type
1 Ton to 50 Ton

- Wall Mounted
- Ceiling Mounted
- Cassette Type
- Ducted Type
- Package Type

Outdoor Units
1 Ton to 5 Ton

Package Unit
6.5 Ton to 50 Ton

YDS Variable refrigerant flow (VRF) system

Main Features:

- Energy saving up to 50%
- Part Load Operation (10% to 100%)
- Long piping (up to-175m)
- Individual control for all rooms/space
- BMS system
- Fresh air for all space

Free Combination Indoor

Modulated Outdoor Unit
Capacity-8 Ton to 50 Ton

With more than 130 years experience in heating, ventilation, air-conditioning, and refrigeration (HVAC&R) product and services, YORK's array of air conditioners provides the ultimate comfort for your home and office by creating a cool, quiet and dry living environment. So with YORK air conditioners, you can sit back and enjoy a lazy afternoon. Everything else will just become more splendid.

Supermarket Refrigeration

COMMERCIAL REFRIGERATION

Compressor

Cooling Capacity : 1.5kW to 860 kW
(.5 Ton to 250 Ton)
Displacement : 4.1 to 303 m³/h
Temperature Range : +12°C to -45°C

Brand : BITZER, GERMANY

Single Stage Compressor

Semi-Hermetic
Screw Compressor

Open Drive Compressor

Condensing Unit

Air-Cooled
Condensing Unit

Water-Cooled
Condensing Unit

Cooling Capacity : 30 kW to 860 kW
(0.5 Ton to 250 Ton)
Temperature Range : +7.5°C to -50°C

Compressor Rack

High Efficiency Unit Cooler

Blast Freezer

Cooling Capacity : 05 kW to 120 kW
Temperature Range : +7.5°C to -50°C

Unit Cooler/Evaporator

Küba

INDUSTRIAL REFRIGERATION

Industrial Compressor Unit

Cooling Capacity : 35 kW to 1297 kW
 Displacement : 58 to 1357 m³/h
 Temperature Range : +12°C to -45°C

Processing Equipment

Freezing Capacity : 300 kg/hr to 3000 kg/hr
 Products : Meat, Fish, Shrimp etc
 Temperature Range : -30°C to -45°C

Tunnel Freezer

IQF

Plate Freezer

Insulated Panel

Density : 40 to 48 Kg/m³
 Temperature Range : Upto to -45°C

PU Panel

Cold Storage

Refer Van

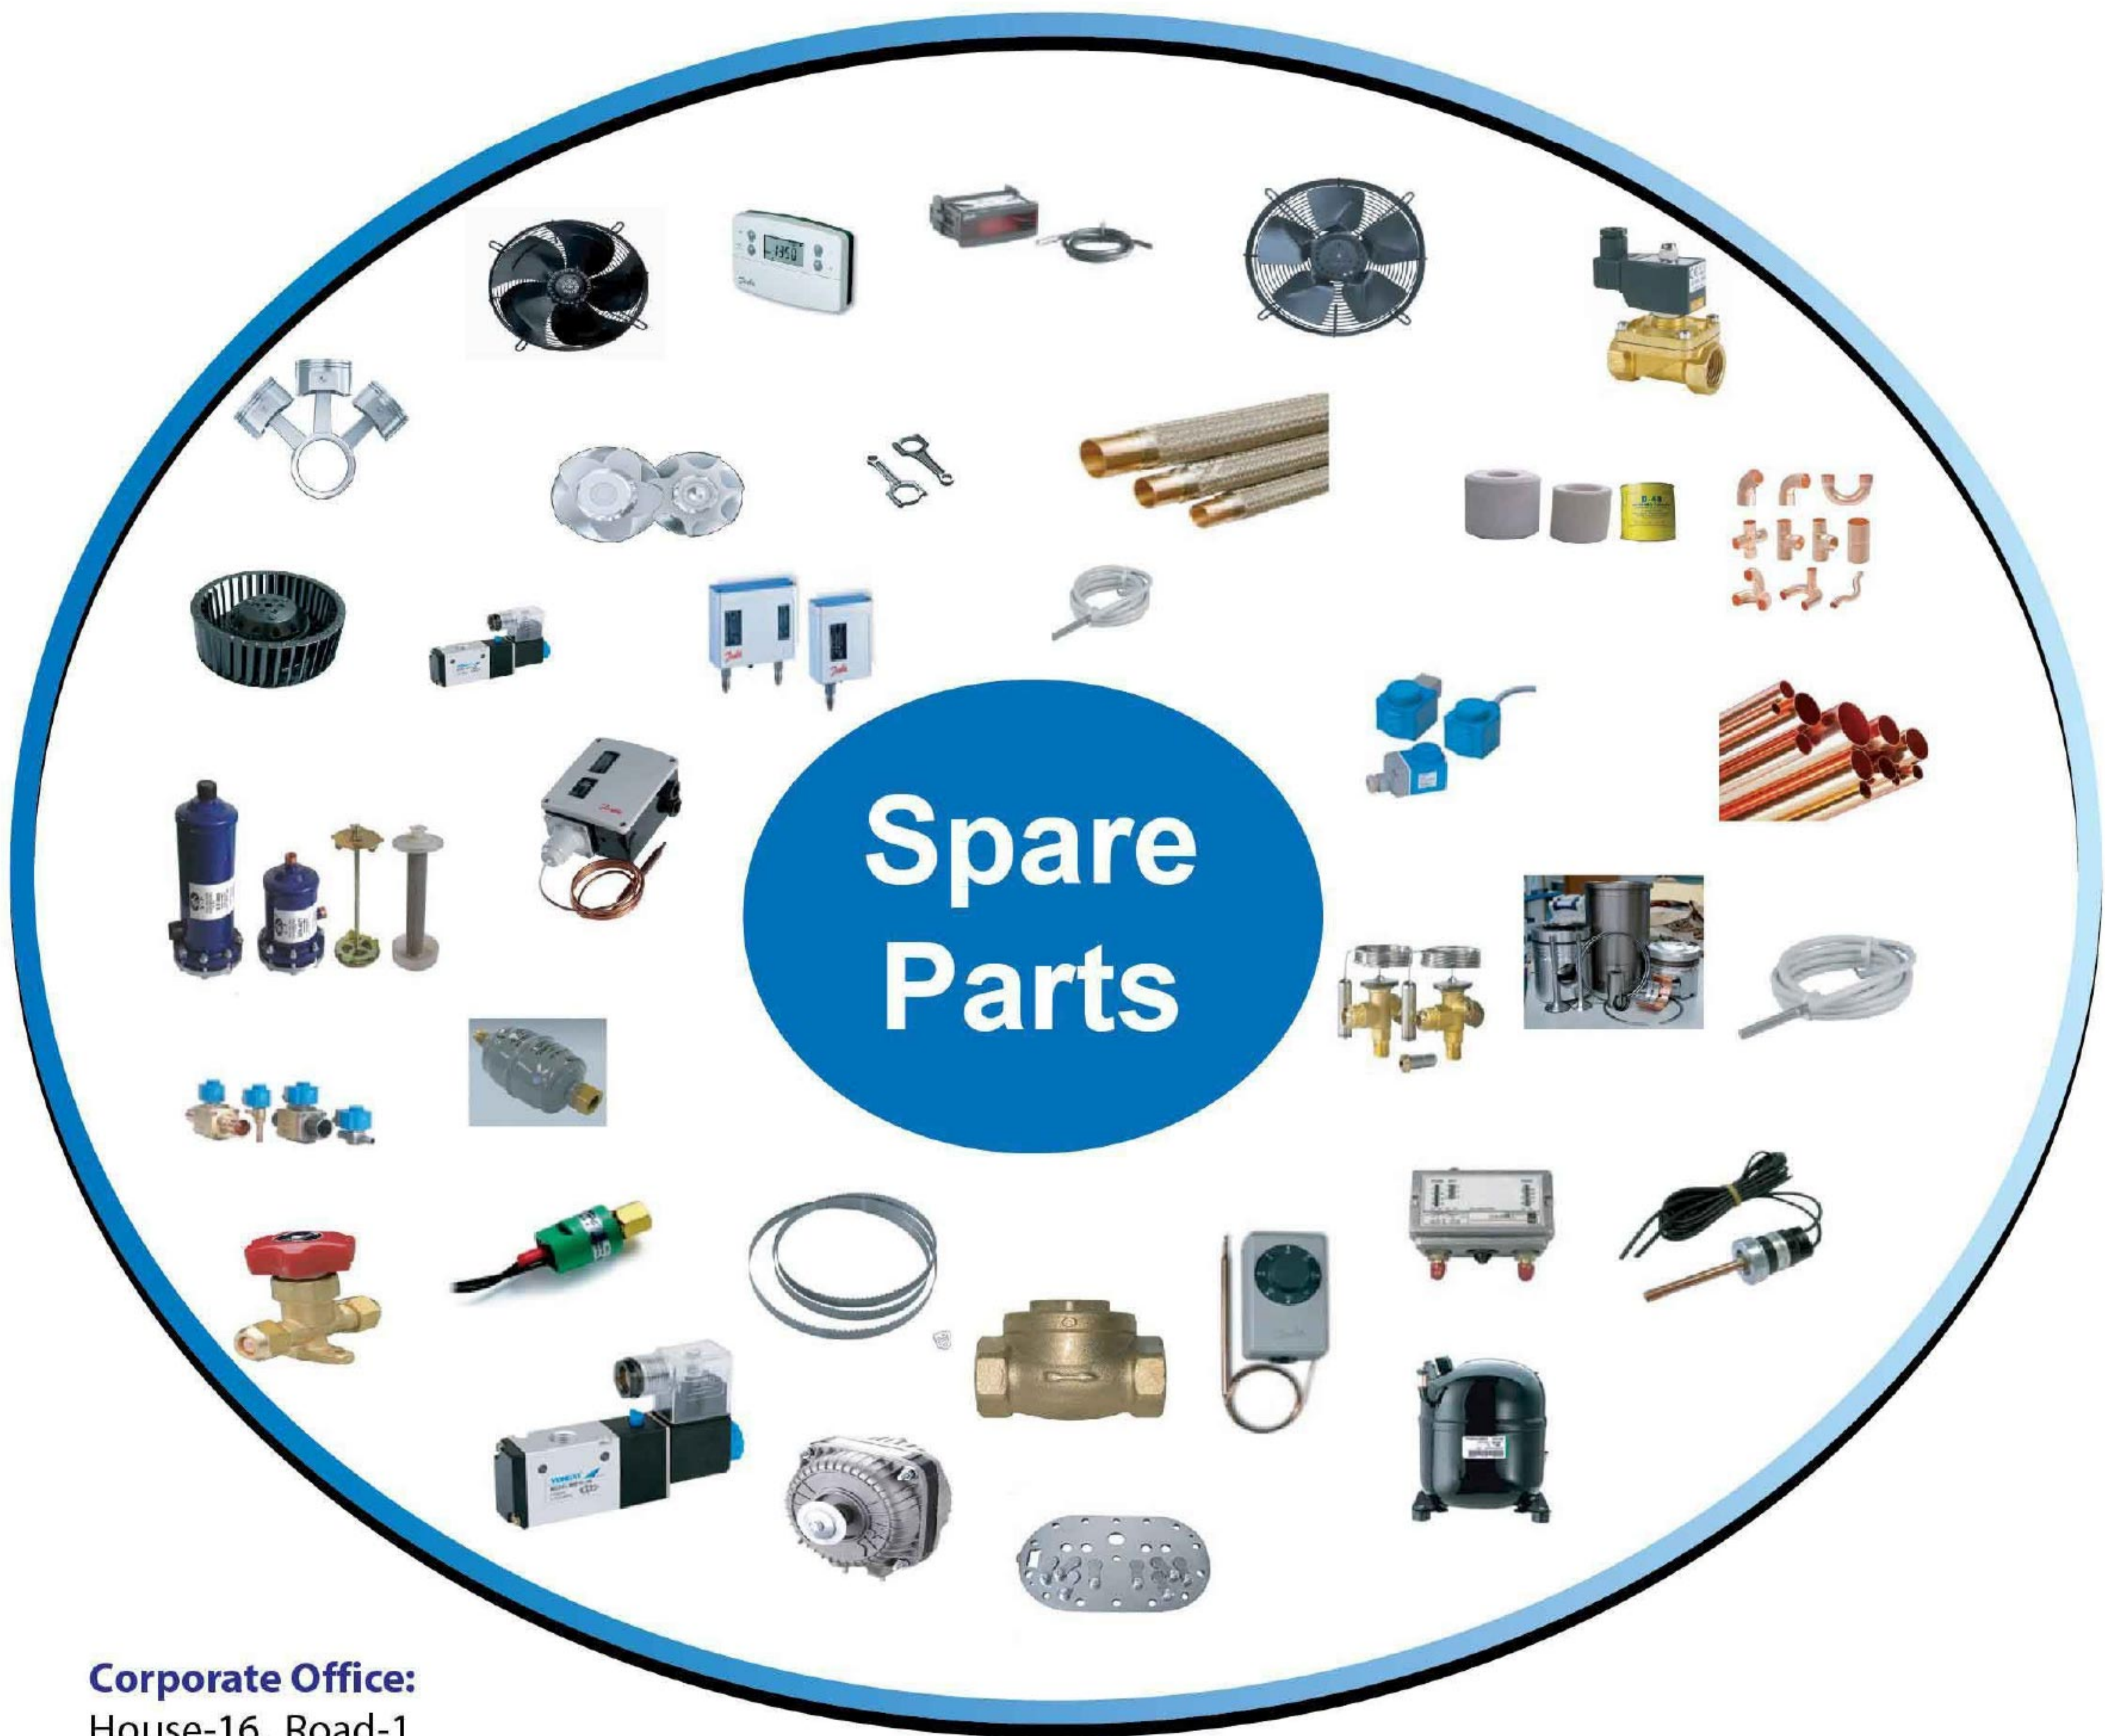

Capacity : 1 Ton to 20Ton
 Temperature Range : +12°C to -45°C

Widely Used in

- Seafood Industry
- Cold Storage Warehouses
- Poultry Processing Industry
- Marine Industry
- Dairy Industry
- Slaughterhouses
- Ice-Cream Industry
- Concrete Cooling
- Fruit & Vegetable Industry
- Potato Cold Storage
- Petrochemical & Process Cooling
- Meat Industry

MARINE REFRIGERATION
